

Canadian National Marathon Canoe Championships

Ontario in 2018 and it's going to be **BIG!**

OMCKRA is partnering with host **Sudbury Canoe Club (SCC)** and the **Aboriginal Sport and Wellness Council of Ontario (ASWCO)**. The **provincial government** committed \$20,000 to run the event and leave a **marathon racing program** as a legacy at SCC on beautiful Ramsey Lake. The organizing committee has early commitment from BC, Saskatchewan, US and Belize.

Indigenous blessing of the water ceremony Saturday morning

And we lined up Saskatoon paddlers

Edith MacHattie and **Trevor Robinson** as speakers.

The accomplished duo won the mixed championship of the Triple Crown last year. See Trevor's story about the 2016 Ausable Marathon published in the HUT! last October. It's on the website: omckra.com

The very full two-day race schedule, see over, is subject to fine tuning for outrigger paddlers and those unable to portage.

As well as **Championship** events there are opportunities to race in many different canoes and kayaks.

Paddlers show their commitment by signing up early.

The cut-off date for free T-shirts is the last day of July and the **fee goes up July 25** but don't wait that long.

Register before June 30 to be in a draw for a Ripple FX canoe paddle embossed with the Nationals logo.
