| Provincial Marathon Canoe Championships - Prize Structure | April 24, 2019 | May 17, 2019 |

Proposed by: Patrick Turner, President, Two Rives Canoe Club, Prince George, BC

The CKBC Marathon Committee, during our most recent meeting/teleconference (March 27, 2019) have proposed that the BC Provincial Championships will officially be held at Enderby (solo) and Kamloops (tandem) June 22 and 23, 2019.

It was also agreed upon that there will be travel funding for Canadian Nationals awarded to the winners of designated events to the total of \$1,000 per year.

The travel funding is to encourage British Columbia to send athletes to represent our province at the National Marathon Canoe Championships, which are being held on August 23-24, 2019 in Sudbury, Ontario.

The travel funding will be awarded to only the 1st place finishers of designated events (see below) and in the case of tandem events, will be shared equally by the two teammates.

If the first-place finisher is unable to attend the National Championships an alternate solo or tandem may receive the travel funding. This will be up to the discretion of the Marathon Committee.

The funding is awarded specifically to defer travel costs to the National Marathon Canoe Championships. It may not be collected otherwise for other purposes.

Travel funding will be awarded based on results in four (4) designated categories: male solo and tandem, female solo and tandem. The Marathon Committee may consider funding a competitive Mixed Tandem to represent BC at the Nationals.

The Marathon Committee, made up of representatives of all CKBC registered clubs, will deliberate in the case of conflicts and/or dispersal of travel funding should there be no entry in one of the categories.

Based on the discretion of the Marathon Committee, if an athlete(s) awarded travel funding at the BC Championships is not able to attend Nationals that year, or there are no entries for any of the four categories listed above, the unused funding amount may be redistributed among the BC representative athletes that will be attending. Otherwise, these funds will remain in the CKBC Marathon Committee budget.

Proposed Prize Structure: BC Provincial Marathon Canoe Championships

Total Awarded: \$1,000 annually

| Men | Prize for Winner | Women | Prize for Winner |
|---------------|------------------|---------------|------------------|
| Solo | \$250.00 | Solo | \$250.00 |
| Tandem | \$250.00 | Tandem | \$250.00 |
| Total | \$500.00 | | \$500.00 |
