Course:

Course will be a combination of reservoir paddling with some low current river sections, 2 laps, approximately 40 minutes in length each. There will be a short portage on each lap, so wear appropriate footwear. Weather conditions in Calgary can be variable, be prepared for wind, rain and maybe even snow, but hope for nice weather!

Accommodations:

- Billets may be available for out-of-town paddlers, please contact Deighen at 403-214-0272 to set something up.
- Camping information on line is available at: <http://www.incalgary.com/Camping.htm>
- Recommended Bed and Breakfast: <http://www.cadberrybb.com/>
